AND APPLICATORS CLINICS**

Sponsored by the College of Agriculture, University of Illinois at Urbana-Champaign, Illinois Natural History Survey, and the State Department of Agriculture, Division of Plant Industries

Pesticides, as well as pesticide regulations change from year to year. As a pesticide dealer or applicator, you are invited to attend one of the following area meetings. The topics will be of primary interest to dealers or applicators who sell or apply home, yard or garden pesticides. Custom applicators and operators who apply pesticides to non-agricultural areas such as parks, highways, golf courses and similar areas should attend one of these meetings also. The examination for the Custom Spray Applicators and Operators license will be offered to anyone wishing to take the exam at that time.

The following are the dates and locations for the clinics.

January 22 — Rockford, Ill. Howard Johnsons Rte. 51 South.

January 24 — Des Plaines, Ill. Seven Eagles Restaurant.

Advance registration is required for the meeting held at Des Plaines. Contact James Fizzell, Cook County Associate Extension Adviser, Room 3, 622 Grace-land Avenue, Des Plaines, Illinois 60016.
