

Velsicol® Turf Chemicals

Weed control

Banvel® herbicide works year 'round, whenever weeds are growing—in most cases, a single application is sufficient. Banvel 4-S herbicide controls a wide variety of tough, deep-rooted weeds, even many which are tolerant to 2, 4-D. Banvel Dicamba + 2, 4-D controls a wide spectrum of broad-leaf weeds with one application economy.

Insect control

Chlordane has proven itself as the leading insecticide for turf use, usually requiring one application per season. Available in granular, dust, wettable powder and emulsifiable concentrate formulations.

Heptachlor supplies low cost, effective protection against most turf insects. It gets the job done! Available in convenient-to-use granular formulations.

What's New on the North Side

Marriott's Lincolnshire Resort opened March 28. This is a year-a-round recreational resort, with a unique combination of facilities, services, and recreational activities.

It starts with an 18 hole championship golf course with a par of 71. The greens, tees, and fairways are bent, and completely watered. It's located on the rivers edge crossed by a creek, and contains five lakes.

At present there are six indoor air-conditioned tennis courts, indoor and outdoor pools, also for winter there's ice skating and skiing.

The hotel has 396 rooms, with several restaurants, and lounges. The grand ball room will seat 1,200, also there are 38 different meeting rooms. For the over-worked there's a health club for both men and women with steam and saunas. Drury Lane North is located in the lodge. This is a legitimate theatre seating 900 in the round. Also Joe Grenko, Supt. at Marriott's is a real professional in hiring help for the grounds. The picture speaks for itself.
