MIDWEST BREEZES

The M.A.G.C.S. May 24th meeting held at Fox Lake Country Club had an attendance of 86. Sixty-five golfers enjoyed their game on a fine conditioned course. This was made possible by the supervision of Superintendent Ray Kearney.

The highlight of the day was a **hole in one** made by Bob Dugid, the on the line shooter, from Roseman Mower Corp. Congratulations, Bob! This event was witnessed by his playing partner, Joe Canale of Deer Park Golf Club. Joe says this ties him because he also has had the same experience.

 The M.A.G.C.S. 1976 fall dinner dance will be held at Silver Lake Country Club on November 19. More details later.

 Congratulations are in order to Mr. and Mrs. Roger LaRochelle. A boy named Bradley, weighing 7 lbs. 10 oz., came to live with them on May 27, 1976.

 The M.A.G.C.S. Secretary Joe Grenko reports there are several Midwest members that are delinquent in the payment of their dues for 1976. To those of you who failed to pay your dues by July 6th, 1976, your name will be removed from the **Bull Sheet** mailing list.

 The M.A.G.C.S. July 19th meeting will be held at Exmoor Country Club. John Jaeger, Superintendent, will be our host. You old-timers try to attend and say hello to Bill Stupple, the long-time Superintendent at Exmoor prior to his retirement. Bill may be in a position to teach you some new card tricks that he has learned in recent years.

 Ben and Dorothy "Carey" Warren have returned from a honeymoon trip to Hawaii, and from visiting friends in California. Welcome back and we all sure hope you had a grand time.

 Ray Schei, former golf course Supt. at Fox Lake C. C. will take over the Supt.'s position at Ruth Lake C. C. on July 1st. This position is vacated by Lester Mach.

Dear Mr. Grenko:

Thank you and your fellow members of the Midwest for honoring my brother Joe and me with honorary memberships in the Midwest.

These memberships are thoughtfulness we deeply appreciate because we grew up in golf with the Midwest Association. We were there when it was born and its parents were dear friends of ours when the going was simple but rough.

Joe and I always have taken high pride in being regarded as teammates of the Midwest members and in their character, achievements and standards of responsibility and performance in a very exacting and important element of golf.

Many times we have spoken and written of what pioneer Midwest superintendents have done in contributing more to the beauty of the country, the development of environmental values and the brightening of American aesthetics; far more than any other men in sports.

Now, again, Joe, you know how warmly two of your old fellow members regard you all.

Sincerely,

Herb Graffis
