The grounds crew that works for you!

Hesston Front Runner®

Choose the GMT, Turf Truck or Three Wheeler.
All offer proven performance and all-season versatility.

Heavy-duty grounds maintenance chores demand tough, versatile equipment with advanced design features. And Front Runner fills the bill, taking on mowing, vacuuming, snow removal, scraping and more with a choice of 19.8 or 23 hp models.

Front Runner GMT. The original revolution in grounds maintenance. Articulated steering with center pivot lets you make short turns, mow flush around trees and shrubs and trim tight around buildings.

Front Runner Turf Truck. Take it away! Up to 1000 pounds! Now, a tough little hauler with added versatility. With a choice of quick-change attachments, the Turf Truck performs year-round chores with Front Runner efficiency.

Front Runner Three Wheeler. The new look in value. Clean design, stability and operator comfort — now in a three-wheel machine. Front-wheel hydrostatic drive and heavy-duty rack and pinion steering provide excellent stability and maneuverability.

See us today for the complete Front Runner story and a demonstration.

The pest has gained entrance to this area and others because of the habit of the female which crawls up on nearly any object to lay eggs. If the object in the egg laying site happens to be a camper or car from Illinois, the egg hatch and feeding will most likely take place here. If you suspect you have an infestation of this pest contact any of our Extension offices.

HOME GROUNDS PESTS

Spruce Gall aphids are exposed when galls open in late summer. Malathion or diazinon will control them at that time.

Simmerman pine moths which cause extensive damage to trunks of Scotch and other pines are flying now and laying eggs. Malathion applied to trunk and whorls will protect the trees from attack by hatching larvae. Use Malathion at twice recommended strength and repeat treatment in two weeks.

A FRIEND

At a social function the conversation drifted to the subject of friendship. An athlete said, "In my opinion, a friend is a balancing pole that enables us to walk the tight rope of life without falling."

A physician said, "I believe a friend may be likened to a soothing ointment for the cuts and bruises of life."

A jeweler said, "I think a friend is a golden link in the chain of life."

Then a woman in mourning spoke up and said, "A friend is the one who comes in when the whole world goes out."

The good old summertime is not vacation time for fungi

start summer disease control NOW with TUCO Acti-dione® Thiram

Heavy play plus unchecked fungal activity can spell disaster. Use Acti-dione Thiram weekly to control brown patch, dollarspot, melting-out, fading-out, leafspot, rust and powdery mildew. Call us now for help in planning summer disease control.
