Dear Mike,

The 1978 G.C.S.A.A. Golf Tournament stands now as a part of the past. The prize and trophy winners and their scores are history, but as often the case might be, many of us will remember this event as being truly great. You have to be a proud man, Mike O' Boy, for organizing and putting on such a fine event.

The shotgun starts worked out perfectly and being paired with different people each day added a lot of class. It enabled everyone to make new acquaintances which was great fun even though it was extremely difficult recognizing your partners face under all of the clothing and icicles.

The Banquet on Friday night was just super and once again, I must use the words **real class** to explain how and where this evening was handled. Every feature of the entire tournament, small or large, was handled perfectly. What's a guy like you going to do for an encore!!
