**INTRODUCING IN YOUR VICINITY &
SURROUNDING AREAS "GRASS ROOTS"**

A new and complete Landscape-Maintenance Service designed to suit your particular needs!

Whether it be maintaining existing landscaping, making improvements and/or alterations, or starting off fresh from the "Roots" on up through tree plantings, new shrubbery, or lawns, we can and will, with your kind indulgence, provide you with a detailed plan geared to your individual desires and needs.

Our operation includes the technical application of fertilizers and herbicides, as well as professional tree pruning, mowing, etc. on an "as required" basis.

While we are new in the area, we can guarantee quality materials, and top workmanship performed by an experienced grounds crew under the direction of Mr. John O. Jackman.

Before going into business for himself, Mr. Jackman spent 10 years as the Grounds Superintendent at Medinah Country Club, one of the most prestigious Golf Clubs in the country, with 54 holes spread over a vast span of more than 600 acres. He is also a graduate of Purdue University and holds a degree in Agriculture, which only adds to his knowledge and expertise in the field he has chosen.

A reasonable bid and drawings per your specifications are as close to you as your phone; pick it up and dial "GRASS ROOTS" today, at 665-3479. Our consultant will visit with you at your convenience to discuss your needs, and present you with full details on one of the several programs we are in a position to offer.

Professional landscaping and maintenance is our business; please give us the opportunity to be of service to you this season!
