LETTERS TO DAVID A. MEYER

Dear David,

Just a word of special appreciation to the Midwest Association for your continued honoring me through a membership. It's a joy to be included. I appreciate getting the **Bull Sheet**, your meeting notices, and in keeping abreast of the progress being made.

I would make a plea: You have a young man, Dr. Wehner, taking the turf research position at the University of Illinois. During his early years I hope the Midwest Association will give him the strongest possible support so that Illinois will continue to develop a strong turf program.

**W. H. Daniel, Turf Specialist
Midwest Regional Turf Foundation**

Dear Dave:

I want to express a sincere thanks to you and the Board of Directors of the M.A.G.C.S for again providing me with an honorary membership in your fine Association.

My trip back to the Medinah Clinic in December was most enjoyable. In fact, it was a welcomed chance to visit with many of my valued friends (the old timers, if you will) from the past. I miss close contact with these professionals, and only wish that I could get to know the "new" members equally as well.

Again, thank you.

A TEST OF FRIENDSHIP

Once a rich man said he would divide his fortune among his friends, if only he knew who they were.

Years passed, and at last the man died—in a midwinter blizzard. His last request was that the funeral be held at 4 o'clock in the morning.

Although scores had boasted of being his intimate friends, only three men and one poor woman turned out, to stand red-eyed and sad beside his grave.

When the will was read, it directed that his estate be divided equally among those who attended his funeral.

Friends are much scarcer than we think!
