It shall be the responsibility of the committee to pursue the fulfillment of our desire to have an organized turf research program conducted in the Chicago area and to seek support for that program.

This committee shall be responsible for the publication of a periodic bulletin reporting the activities of our association and its members. Our Bull Sheet has established a precedent that other organizations are using as a guide. The editor shall edit each issue of the Bull Sheet carefully to eliminate any statements that may be a discredit to our organization or embarrassing to any of our members. This committee shall secure and dispense all beneficial publicity for our profession and our members.

The December issue of the **Bull Sheet** regrets the error of the January 1983 meeting date. The published date is the one the editor received. Let us hope in the future this will not happen.
