Illinois Turfgrass Foundation

The Board of Directors of the Illinois Turfgrass Foundation is proud to announce the Illinois Turfgrass Foundation's association with the Bostrom Corporation. The Bostrom Corporation, a management firm located in Chicago, will manage the day-to-day operations of the Illinois Turfgrass Foundation. Bostrom currently manages thirty non-profit organizations. Many of Bostrom's clients are similar to the Illinois Turfgrass Foundation in both size and makeup.

Bostrom's responsibilities will include the management of the Illinois Turfgrass Foundation's accounting and clerical operations. Data processing, which will be used to update and expand our membership, will also be provided by the Bostrom Corporation.
