

Bojo Turf Supply Co. Incorporated.

In the late 1960's George Haddad after introducing PAR-EX and IBDU Fertilizers to the Midwest Market decided to become a local distributor of major turf supplies and accessories, forming the present BOJO TURF SUPPLY COMPANY. Emily Haddad ran the office and George began supplying products from their van and replenishing the products from their BOJO, Steger, IL warehouse. Adding more and more new items our customers requested causing the business to grow rapidly. Later they hired a full time accountant and expanded his services and efficiency by setting up INDEPENDENT BUSINESSMEN'S COUNSELORS (IBC). This company supplied BOJO with full service accounting and sold the same services of business consulting and income tax advisory to other businessmen. This was a good way to make our organization more efficient and keep us abreast of the times. This in turn helped us give you good service with high quality products at reasonable prices. The growth continued rapidly and in 1976 we moved into large more efficient facilities on our farm near Peotone, IL. More and more products and services were added. Again needing more space and efficiency we sold some of this unit recently and are building new quarters in the Frankfort, IL area at 24356 Harvest Hills Road. Telephone 815/469-6730.

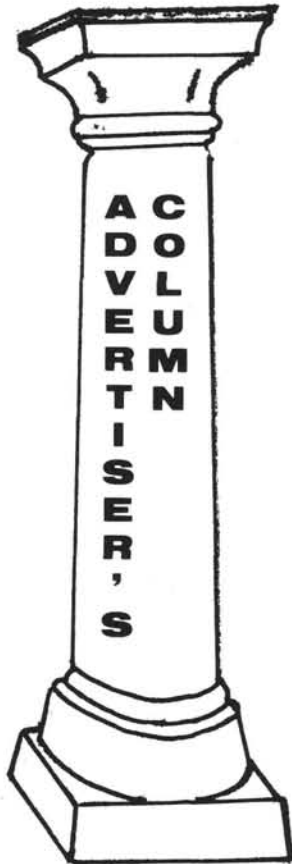

Presently Emily Haddad, Amy Cook and Mary Haddad operate the office. Patrick Gong and his staff handle the computer programming and accounting services. George Haddad and Roger Ogalla service the Chicagoland market with the assistance of John Abell driver-salesman and S.T. Smith trucking service. Our people are highly trained, many degreed or about to be degreed and are motivated and dedicated to serve our many customers.

BOJO TURF SUPPLY COMPANY is a major distributor for most turf supply manufacturers and act as sales agents and brokers for many allied companies. We are especially proud to represent Harry and Rich Paarlberg of the PAARLBERG CHEMICAL COMPANY. We have enjoyed a fine 17 year relationship.

We wish to thank all of our many customers who have also become good friends for their support. THEY made all this growth happen.

Our policy is to give GOOD SERVICE with HIGH QUALITY PRODUCTS at REASONABLE PRICES and the buck stops here!
