

JULY, 1988
VOLUME 42, No. 2

the Bull Sheet

Midwest Association of Golf Course Superintendents
of The Greater Chicago Metropolitan Area

“President’s Message” by Mike Nass CGCS. An update of what has happened and what is forthcoming.

“Director’s Column” by Jim Evans. Jim is looking “For a Few Good Men” to continue on with the association duties.

“Bunkers with Style” by Bob Lohmann. A little history on bunkers and how they are incorporated into the hole design.

“Drought Problems,” by James Fizzell. How to care for your plantings during an extended drought.

“USGA Recommendations Regarding Hole Locations” — A guideline on setting cups.

“USGA Equitable Stroke Control (ESC) Procedure” — A clear explanation on how the ESC works with your handicap.

“How Soil Factors Affect Plant Establishment and Growth,” by Patrick Kelsey. Describes soil structure, texture, permeability and other items that affect plant growth.

NEXT MEETING — July 18, 1988

Springbrook Golf Club

Jeffrey Nack, Host Superintendent

**This is The Meeting We Honor
Our Senior Members**
