

MARCH, 1988
VOLUME 41, NO. 10

the Bull Sheet

Midwest Association of Golf Course Superintendents
of The Greater Chicago Metropolitan Area

ARTICLES:

President's Message

New faces, new courses and possible changes for the NCTE.

Director's Column

Alan Fierst thinks that the institutions asking for our research dollars also need to tell us how these dollars are being spent.

Getting Started with Perennials

If you are thinking about perennials around the golf course, you should read how easy they are to grow with these guidelines.

Flowerbed Preparation and Maintenance

Dave Ward tells us how Ravisloe has such stunning flower beds.

Adding Flowers to the Golf Course Landscape

Pointers on making the selection and description of many plants.

Winterkill

The three most likely events to winterkill of turf are explained.
