

MAY, 1988
VOLUME 41, NO. 12

the Bull Sheet

Midwest Association of Golf Course Superintendents
of The Greater Chicago Metropolitan Area

ARTICLES:

President's Message by Michael Nass, CGCS —
How to improve one's image.

Director's Column by Raymond Schmitz - What's New in
I.P.M. — Find out all about Integrated Pest Management.

"1987 Review and 1988 Preview of Turf Insects & Control", by Dr. Roscoe Randell — What took place in 1987 and how certain chemicals reacted, with a prognosis for 1988.

"Anticipation - 1988", by James Latham, Director Great Lakes Region, USGA — Too hard for this Editor to condense something from A to Z — so just read it.

"Impact with Detail", by Joel Purpur — It's the little things that count when maintaining a golf course.

"Tent Caterpillar Appearing Now", by James Fizzell, Sr. Extension Advisor, U. of I.

Pictures from The CDGA Green Seminar

Herb Graffis — Happy 94th Birthday!

"A Couple of Sunny Days", by Gary Hearn, Superintendent, Oak Brook G.C.
