

# 1993 MAGCS Hospitality Room — Anaheim

by A. T. Fierst, Vice President, MAGCS

The Board of Directors and the entire membership of the Midwest Association of Golf Course Superintendents wish to gratefully acknowledge the generous contribution of the hospitality room sponsors. This year, as in previous years, the generous sponsorship for the room by the Chicago area purveyors reflected the fine support of these companies for the MAGCS. The collective support and contributions of the sponsoring individuals, companies, and corporations provided the substantial resources necessary to fund such an extensive offering. Not only do these individuals and companies deserve the gratitude of the MAGCS; they deserve your individual expressions of gratitude and patronage as well. Without the allied participation of these generous and dedicated sponsors, the MAGCS would be hard pressed to provide such a fine environment for the social and professional activities at the GCSAA conference.
