## The turf tractor for people who despise non-performing investments

The Steiner does the work of a dozen different single-purpose machines. Better. All it takes is a few minutes to change attachments and you're ready to mow, move dirt and snow, edge, blow, chip, aerate and more. All as you move effortlessly across your grounds on a 16 or 20 hp machine with an articulating frame and hydrostatic transmission.

The Steiner. The turf tractor for people who believe in value-based investments and hard work. Test drive one for yourself at your local Steiner dealer.
