Golf Course Superintendent's First Amendment Rights

Until recently, golf course superintendents were taxed by compaction problems, dry spots and poor aeration. But this situation has been changed with the introduction of GREENSCHOICE®—*The First Amendment*. And today, golf course superintendents are proud to proclaim their First Amendment Rights.

1. *The right to free speech when employees fail to water and cut the greens.*
2. *The right to bear arms after someone turns off the timed sprinkler system on the hottest day of August.*
3. *The right to immunity after you severely injure that someone.*
4. *The right to an attorney when the sprinkler system failure is blamed on you.*
5. *The right to a nervous breakdown after it rains every day of the club tournament.*
6. *The right to free counseling after golfers destroy your immaculate greens.*
7. *The right to at least one day off a month.*
8. *The right to amend your greens with GREENSCHOICE, The First Amendment.*
9. *The right to healthy, trouble-free greens.*
10. *The right to be acknowledged as the greens genius that you obviously are.*

You have the right to dramatically improve water and nutrient retention, and enjoy reduced compaction and improved aeration of greens when you aerate or topdress with GREENSCHOICE. For more information, call 800/829-0215 or contact your local E-3 Turf Products representative.

Team Competes in Championship Golf Tournament

The La Grange Country Club team, from La Grange, IL, competed in the ninth annual John Deere Team Championship Golf Tournament held October 27-29 at the Wild Wing Plantation, in Myrtle Beach, SC.

Team members were: Robert Kronn, Golf Course Superintendent; Victor Whipp, PGA Professional; Robert Nelson, Club Manager, Trevor Beste, Club President; and John Buck, Distributor Representative. They competed against 31 teams from across the U.S. and Canada.

Although they did not make the top ten, the team made a good showing in this spirited competition. The winning team was the Tony Butler G.C. from Rancho Viejo, TX.

On October 14th, 29 couples enjoyed a great evening at the Fall Dinner Dance. The meal was fabulous and all the details well attended to by the staff at Aurora Country Club. Nadler Golf Car Sales graciously provided the open bar for the evening. What a shame that less than 5% of our members have the time to take their "significant other" out for what has traditionally become a very spectacular evening.

Again, the Board of Directors would like to thank all the monthly meeting sponsors in 1995. Your support is greatly appreciated. These fine folks are listed below:

Nadler Golf Car Sales & Club Car	Central Sod Farms
Accurate Tank Technologies	J.W. Turf
Hendricksen, The Care of Trees	E-Z-Go Golf Cars
Pro Greens of the Midwest	Turf Products
Chicago Turf & Irrigation	AgrEvo USA
Nels Johnson Tree Experts	Anton's Greenhouse
Illinois Lawn Equipment	Arthur Clesen's Inc.
Midwest Turf & Tractor	Bojo Turf Supply
Hollebeak Excavating	Rain Bird
Cannon Turf Supply
