

The Members of Lake Shore Country Club Honor Adolph Bertucci

On July 22, in honor and recognition of Adolph Bertucci's past 50 years of service, the members of Lake Shore Country Club planted a six-inch maple tree next to their new locker room facility. The recently completed building replaces one that was destroyed by a fire.

Well over 200 people, including members, friends and Adolph's family attended the festivities and a delicious lunch was served.
