

MAGCS Family Picnic & Baseball Game

**Kane County Cougars
August 23**

Fred Opperman

7his day was one of the best of the summer. Temperatures in the low 70s, dipping down into the 60s in the evening. Beautiful. All of the families had a great time. Sue and Ed Braunsky had entertainment for the children as the pictures to the right can tell. There was also a contest among the kids to draw a picture of their father at work. This is how the kids think their dads are working, and you can tell exactly what they think. Two of the best pictures were picked. One was by Kimberly Layden, age 11. Her father, Tim Layden, is owner of High PSI and while working should be selling pressure washers and not playing golf! The other picture is by Brenda Ferreri, age 14. Father Don is superintendent at Seven Bridges G.C., and it is an excellent job of showing what he does. Congratulations, girls, for your artistic impressions of your fathers.

Oh yes, the Cougars won that night also.
