

# Autumn Field Day

Brian Bossert  
Bryn Mawr C.C.

The second annual Autumn Field Day was held on September 17. The Cantigny research green was again the site, and over 70 were in attendance. This was a great way to spend a beautiful and relaxing afternoon with your peers. Scott Witte, the superintendent at Cantigny Golf Club, and Randy Kane, the CDGA agronomist, were our hosts for the day. Randy has compiled the results of the research being conducted this year and can be reached at (630) 954-2753 if you would like a copy.

A big thanks to the staff at the University of Illinois for attending. Tom Voigt has started a perennial/wildflower establishment plot at Cantigny that is free for the viewing. He also did a fine job making sure the chicken was thoroughly cooked! Thanks as well to Cantigny Golf Club for donating many of the grilling supplies, ice, etc. Make plans to attend this fun event next year! ■

## Hollemeak Construction, Inc. Golf Course Construction and Remodeling

*"We believe in a quality job and take pride in our finished product."*

- New Construction
- Feature Shaping
- Bunker Sand Replacement
- Pond Dredging
- Pond Construction
- Boulder Features
- Cart Paths
- Drainage
