## Ray Gerber Editorial Award Contestants 1996-1997 THOSE QUALIFYING FOR THE AWARD IN 1995/1996 ARE:

Fred Opperman Editor

he Ray Gerber Editorial Award was not presented in 1995/1996 since only four superintendents wrote articles.

Article 5 of the Guidelines for the award state:

There must be at least six articles in a qualifying year (September through August) to be considered. If less than six articles qualify in any one year, those qualifying will be carried over to the next year(s) until there are six articles to be judged.

This past year, the Editorial Committee made a slight change on who qualifies. Starting this year, we will now accept assigned articles. Not to be included are the On Course With the President, the Director's Column and the Super-N-Site articles.

All of the articles (to the right) will be judged by a panel of five judges, and only one will be picked as the winner for this time period.
