Corrections: The editor apologizes to Tom Brodeur for misspelling his name as one of the "Ray Gerber Editorial Award" contestants. Also, two contestants were inadvertently omitted: Glen Bereiter for his article, "Performance Apprais-

ing," and Brian Bossert for his article, "Safety First." Sorry about the slipup, but you two are in the contest for this year, and the judges have your articles.

Lost Nations G.C. wants to buy used Rainbird satellites to control DR 51 pop-ups, 24 volt, 50/60 OHZ, 2 watts and 1 1/2" threads. Please contact Todd or Mike at one of the following numbers: 815-652-4244 or 815-652-4413.

At our August meeting, President Czerkies presented Dr. Randy Kane with a check for \$4,000 for the CDGA Foundation, a sponsor of the Cantigny Green research plots.

The three Musketeers: Peter and Paul Voykin with Mike Bavier. What a history this group has: Peter, the MAGCS champion golfer many times, and Paul and Mike, the only MAGCS members to have published any turf books.

.....
The University of Illinois Field Day was a success. Coordinated by Carol Hoppman and ITF, a group of superintendents and sales reps took a chartered bus down to Urbana-Champaign. Refreshments were provided by Arthur Clesen, Inc. and Bayer Corporation. The day was perfect, and the staff at the U of I had everything in order. For those of you who have never made the trip, or have not made it for a long time, it is well worth the time taken to see just how our research dollars are being spent.

Dr Hank Wilkinson discussing bio-controls and disease updates.

Dr. Bruce Branham showing Poa annua control measures.

Dr. Andy Hamblin presenting his turfgrass breeding program.
