Longtime MAGCS member Charles F. Shiley died October 28, 1999 at the age of 90.

A 57-year GCSAA member, Mr. Shiley began his career

as a laborer at Rolling Green C.C. (Arlington, IL) in the 1930s. For three years, he was greenkeeper at Bon-Air C.C. (which became Windsor C.C.) in Barrington, and from 1938-43, he was superintendent at Illinois C.C. in Northbrook. After World War II, he joined the staff at Tam O'Shanter C.C. in Niles as assistant superintendent and remained there until 1951. From 1951-71, he was superintendent at North Hills C.C. in Menomonee Falls, WI. In 1972, Mr. Shiley became superintendent at Plum Tree National C.C. in Harvard, where he worked until his retirement in 1982.

In addition to the MAGCS, Mr. Shiley belonged

to the Mid-West Greenkeepers Association and was president of the Wisconsin GCSA from 1956-57. He received his 50-year pin at the GCSAA's 1992 conference in New Orleans. Writes Mr. Shiley's wife of 60 years, Mary, "He died three days after Payne Stewart and Bruce Borland. My son Chuck said that now they have an architect, a superintendent and a golfer in heaven getting a golf course up there."

On behalf of the MAGCS, heartfelt condolences to the four sons, nine grandchildren and six great-grandchildren Mr. Shiley leaves behind, and to wife Mary (N84W17147 Menomonee Ave., Apt. 108N, Menomonee Falls, WI 53051).
