MAGCS offers its deepest condolences to the family of **Brian Winkel** on the passing of Brian's mother, Dorothy, on August 11. Our thoughts and prayers are with you during this difficult time.

For those of you who've been wondering what **Tony Rzadzki** (former superintendent of Cantigny Golf Club) has been up to lately, you can find out for yourselves by signing up for the Wisconsin Turfgrass Association's golf outing, scheduled for October 8 at Tony's brand-new club and Wisconsin's only **Jack Nicklaus** Signature golf course, **The Bull** at Pinehurst Farms in Sheboygan Falls, WI. The club's grand opening took place on August 18 with the Golden Bear himself kicking things off. The outing will raise funds for the Wisconsin Distinguished Graduate Fellowships in Turfgrass Research; format will be a four-person scramble teeing off at 10:30 a.m. This is a great opportunity to play a highly-rated new facility (albeit in the land of cheese and Packer fans), and Tony would love to see some of his old friends and catch up. For registration information, call Audra at 608-845-6536.

If you are at all like me and my wife (which is a scary thought, come to think of it), you have HGTV programmed into your remote. On August 17, the home of **Mark Anderson** (assistant superintendent under **Henry Michna, CGCS** at Winnetka Golf Club) was featured on the network at 7:00 p.m., and again at 10:00. Congratulations on your beautiful home and your 15 minutes of fame, Mark!

Welcome to our newest MAGCS member, **Beth Whitehouse** of Dow. Beth introduced herself at the August meeting, and a photo was taken, but it was taken by me after 18 holes of golf with a VERY efficient beverage cart staff on the course, and my back was acting up

so I took a couple of . . . Oh, never mind—suffice it to say that the photo did not come out. Look for Beth at upcoming meetings and welcome her aboard.

Congratulations to **Lynn Wesson** of Fox Valley Golf Course who, as of now, has the very enviable title of retired golf course superintendent. Lynn is excited to wake up and not worry about the weather, and can't wait to begin the "tour" of golf courses he has always wanted to play but never had the time to do so. Best of luck, Lynn, and you are welcome to start the tour at ACC (just no thongs).

Lynn Wesson.

On October 21 and 22, the Illinois Arborist Association will be hosting its 21st Annual Conference and Trade Show at the Holiday Inn Convention Center in Tinley Park, IL. The two-day event will feature debates and discussions on the state of the Illinois tree-care industry, along with special Spanish-language sessions, live demonstrations and a trade show with more than 40 industry companies exhibiting the latest supplies and equipment. For more information on registering, call 877-617-8887.

Congratulations to **Joe Giuliano** and his wife, Stacey, on the August 3rd birth of their son, James Vincent. Joe is assistant superintendent at White Pines G.C. The 19-inch long, 5.9-pound James and his mom are both doing great!

Congratulations to **Jennifer and Rusty Stachlewitz** on the birth of their baby daughter, Perris Audrey Stachlewitz, on July 8, 2003 at 8:18 a.m. Perris came into the world weighing 8

(continued on page 30)

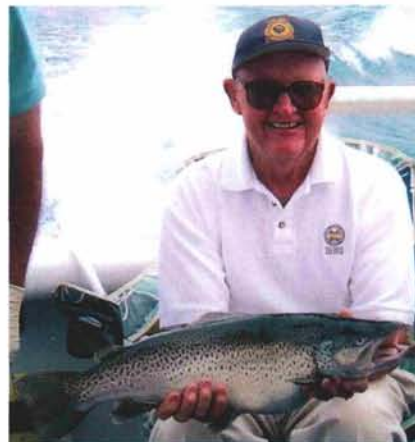

pounds and measuring 19-½ inches. As you may remember, Rusty is the new turfgrass instructor at Kishwaukee College, and will be responsible for sending young, impressionable turf students out into the big world of golf course management where we can really mess them up.

Perris Audrey Stachlewitz.

The baby boomlet continues . . . warm wishes to Steve Partyka of White Pines G.C. and his wife, Dawn, on the birth of a healthy girl, Brianna Marie, on August 1.

This was handed over to me from **Dudley Smith** (retired superintendent of Silver Lake Country Club): Recently, on a Sunday in July, a group of guys went fishing on Lake Michigan with Captain Craig Marfia (former MAGCS member). The group consisted of **Scott Armstrong** (Conserv FS), **Sonny Bain** (Willow Run G.C.), **Todd Schmitz** (Phillips Park G.C.), **Ray Schmitz** (retired—Flossmoor C.C.) and Dudley. During the four-hour fishing trip, six fish were lost and six were caught. Dudley won the money for largest fish, a beautiful brown trout that weighed in at 9 pounds. Todd came in second with a coho salmon that just missed the mark at 8-1/2 pounds. As usual, Craig did a wonderful job as captain and host for the charter adventure. He played the role of strict disciplinarian by yelling at a couple of the “fishermen” who tried to land a fish with rod in one hand and beer in the other. A good lesson for all was learned that day.

Dudley shows off his 9-pound brown trout—Dudley is the one with the glasses and hat.
