MAGCS Member Tommy Witt, CGCS, Receives Distinguished Service Award

At the annual meeting in Orlando, GCSAA honored Tommy Witt, CGCS at Northmoor Country Club in Highland Park, with its prestigious Distinguished Service Award.

Witt was GCSAA's president in 2001, and has served on several chapter boards in his native Texas. He has mentored nearly 40 assistant superintendents and interns who became golf course superintendents. His dedication to improving career opportunities, security and compensation within the golf course management profession has led him to develop and present numerous seminars and presentations on topics related to professional development. His teaching credits include educational programs for the GCSAA, Club Managers Association of America and the PGA of America, during which he promotes the golf course management profession. He also regularly speaks to student audiences about how to prepare for a golf course management career.

William G. Fielder, a retired CGCS and member of the Cactus and Pine chapter, was also honored.

"Billy and Tommy epitomize the kind of long-term, selfless service that the Distinguished Service Award is supposed to recognize," said GCSAA President Mark J. Woodward, CGCS. "It was a privilege to present them with this well-deserved honor."
