DECEMBER 2009 Volume 63 No. 8

The 15th on Medinah's Course #3 will give the golf world something to talk about when Medinah CC hosts the Ryder Cup in 2012. The new hole will play between 280 to 340 as a drive-able 4 par with plenty of trouble as matches draw into the finishing holes.

The Midwest Association of Golf Course Superintendents (MAGCS), founded December 24, 1926, is a professional organization whose goals include preservation and dissemination of scientific and practical knowledge pertaining to golf turf maintenance. We endeavor to increase efficiency and economic performance while improving and enhancing the individual and collective prestige of the members.

The MAGCS member is also an environmental steward. We strive to uphold and enhance our surroundings by promoting flora and fauna in every facet in a manner that is beneficial to the general public now and in the future.
