Congratulations to **Alan Hill**, who is the new golf course superintendent at Cress Creek Country Club in Naperville. Best of luck to you, Alan!

You've surely heard about it, so now go check it out if you haven't yet--the new and improved magcs.org website is up and running. Featuring a whole new look, the site is a much more user-friendly version of the old one, with many new and useful tools. If you get the chance, upload a picture of yourself for the online directory; it always helps to put a face with the name, especially as we all get older. Also, in the Members Only area you can access the Membership directory, *On Course* archives, and a ton of other good stuff like the Member Forum area, where you can interact with fellow members securely, and without the entire Facebook world looking in. Enjoy!

MAGCS and the entire golf community lost a true legend and friend on May 20th when **Carl Hoppman** passed away. The longtime superintendent of Aurora Country Club and Evanston Golf Club, and ambassador for our industry will be missed by one and all whose lives he touched. Rest in peace, Carl.

Our deepest condolences to the Dinelli family on the passing of **Joe Dinelli** last month. Joe was a man of few words, unless he had something to say. His strong work ethic started at Northmoor Country Club in Highland Park where he learned the art of greenkeeping helping his father Frank on the course. After studying agronomy at Purdue University, marrying the love of his life Marilyn and moving to Glenview, Joe worked for 35 years as the golf course superintendent of North Shore Country Club. He loved to go fishing on his beloved Catfish

Lake in Eagle River, WI, where he was unrivalled at catching walleyes and hosting fish fries. The true passion in Joe's life was his family--his wife Marilyn, his four kids Jodie, Jamie, Dan and Joe and their spouses Mike, Mike, Laurie and Laura, and his five granddaughters Carrie, Jessie, Nicole, Danica, and Sophia. Donations in Joe Dinelli's name can be made to the Environmental Institute for Golf at [www.eifg.org](http://www.eifg.org).

Congrats to **Steve Cook, CGCS, MG** (Oakland Hills Country Club), **Brian Green, CGCS** (Sunset Valley Golf Course), and **Dale Morrison, CGCS** (Precision Turf LLC) on being recertified through GCSAA recently.

Also a shout-out to **David Marquardt**, who on the 5th of June made a hole-in-one at River Bend Golf Course in Woodridge, IL. Dave's ace came during league play on the 5th hole, where he took driver out of the bag for the 110-yard hole, skanked it due left into a beer cart where it caromed skyward, hit a wayward gull, and dropped into the hole. That's how the witnesses remember it anyhow.

The end of this month marks the deadline to get your favorite dog's mug in the 2014 TurfNet Superintendent's Best Friend Calendar presented by Syngenta. To nominate your dog, go to [www.turfnet.com](http://www.turfnet.com), click on the Features tab and follow the links. You'll find some useful tips on how to best photograph your dog, as well as the form you'll need to fill out, so do it soon!

While on the subject of TurfNet (sorta), if you've checked out their Blog Aggregator lately, you've seen a few MAGCS members chiming in. **Tim Christians** of Makray Memorial was featured several times recently, with blogs about leaf spot and his new low-maintenance areas seeded to fescue to name a few; **Steve Cook** of Oakland Hills blogged about repairs to the bridge on his #5 South, and **Scott Pavalko** and **Nick Marfise** of Cog Hill blogged about the removal of undesirable undergrowth on their property.

Other MAGCS members and their clubs were spotted in the industry pubs recently as well. In documenting our crazy spring weather, Golfdom magazine mentioned Evanston Golf Club's **Dan Charlton** and the 5.6" of rain they received on April 18th, followed a few days later by snow. Club & Resort Business had a ditty about Ivanhoe Club's (**Tom Prichard**

superintendent) pumpkin smashing event just after Halloween, whereby members were encouraged to bring their used pumpkins to the club so that their children could launch them off the upper deck of the clubhouse to the ground below. The smashed pumpkins were then picked up and used as compost on the golf course as a promotion of the club's green initiatives. Finally, and most recently, North Shore Country Club, the host of the Encompass Championship on June 17-23, and hosts **Dan** and **J.D. Dinelli** were prominently featured in several magazines, most notably on the cover of GOLFChicago. Nice to see.

This month, from July 24th through the 31st, the City of Chicago and its 2.7 million citizens will celebrate "Native Flower and Grass Days," thanks to **Paul Voykin**. On July 25th last year, the Chicago City Council and Mayor Rahm Emanuel passed a resolution initially created and promoted by Mr. Voykin, the retired superintendent of Briarwood Country Club for 46 years. Illinois is home to over 3,500 native vascular plants, with only California, Florida, and Texas having more. Paul's lifelong work to bring native plants to golf courses, and in so doing to demonstrate to the world that golf courses are environmentally and ecologically beneficial to their surrounding communities, is the sole reason for Native Flower and Grass Days to exist. With over 9 million people in the Chicago metropolitan area, Paul's hope is that we continue his work by promoting our courses' benefits to the communities in which we live and work as well. He is more than happy to help keep this moving forward—give him a call!

I'm REALLY trying not to beat a dead horse, but this particular horse is just too easy a target. Turns out **Dan Dinelli** is making the rounds on cable TV shows lately. After his big debut on Golf Channel's "Golf Central" show a couple months back, demand for Dan hit an all-time high, with a bidding war for his services ensuing. The winner turned out to be "Dig In Chicago," a local garden-to-kitchen show found on WCIU. Dan and his 28-year-old red-tailed hawk los are interviewed by host Mike Nowak on the grounds of North Shore CC, with the take-home point being the healthy ecosystems that golf courses can be, and the wildlife they support.
