

has never been topped!

CALO-CLOR®

TURF FUNGICIDE

Still the GREATEST after 40 years!

It's tops "as is" for summer turf disease control . . . "tops" as the mercurial additive for that "extra" effectiveness in any turf fungicide program! Be ready before disease attacks . . . Always have at least two drums on hand! Order from your Mallinckrodt distributor today.

Mallinckrodt

MALLINCKRODT CHEMICAL WORKS
Turf Products
St. Louis • New York • Los Angeles

the name of the game is "turf"

Here's how to get the kind that
supports the heaviest play!

1.
Consult the IMC Turf Counselors.
2.
Let the laboratories of IMC's Growth Sciences Center test the soil of each green and fairway—without charge.
3.
Apply Gold Cup or Premium Thrive fertilizers as needed.

Contact your IMC Distributor.
Or call either
Bud Camp or Frank Ross
at 312-757-7217.
