MILORGANITE

**the Professional's
Fertilizer . . .**

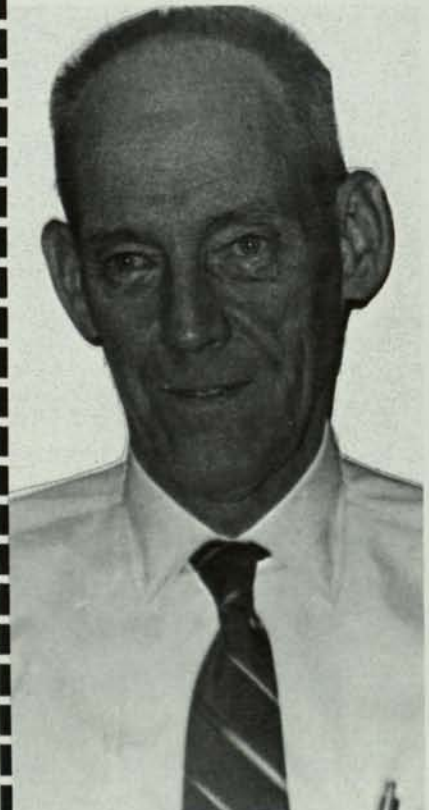

Milorganite, the natural, organic fertilizer grows great grass . . . is there any other way to rate a fertilizer?

Used by more golf courses than any other fertilizer in the world.

**Dick Wendel, Now
of Golf Sales Staff**

Dick, who has been on the staff of George A. Davis, Inc. for over 15 years will be calling on Golf Courses on the North and West side . . . Look for him . . . he will be at your service at all times.
