### *The President's Message*

November is here and the golfing season has come to a close. For some it has been a good year and for others not so good. This is the time for all of us to take stock of the things that were done on the course this past year and to correct any mistakes made and make a note not to repeat them next year. It's also the time when we become involved in seminars, turf conferences and the exchange of ideas with other superintendents. From now on until next March most of us will be attending these functions.

We are very fortunate to be, more or less, in the center of an area that has many such activities. The Illinois Turfgrass Association, Wisconsin Turf, Symposium, Midwest Turf Foundation and, of course, our own Turf Clinic. I think it behooves all of us to attend as many of these functions as possible in order to benefit from the thoughts of others. In turn, the things you learn can only benefit your club and your profession.

See you at Medinah!

---

## MAGSC BOARD OF DIRECTORS FOR 1973

### OFFICERS

President — Denis Straus  
First Vice President — Alby Staudt  
Second Vice President — Edward Smith  
Secretary Treasurer — Mike Bavier

### DIRECTORS

## Midwest Breezes

The Bull Sheet editor had the great pleasure of visiting several golf courses in the Chicago area this past golfing season. I found most of them in excellent condition. The month of August and the greater part of September precipitation was almost zero in certain areas, unwatered fairways took a beating during this period.

The Midwest Golf Course Superintendents Association held their annual Golf Tournament on September 28th at the beautiful Ridgemoor Country Club. The golf course was in excellent condition under the guidance of host Superintendent Bob Kronn. The weatherman tried to discourage the golfing Midwest members but did not have a chance.

What does a little rain mean to these rugged outdoor men. The dinner was of the finest and our many thanks to everyone who helped make this day a most pleasant and enjoyable one. The host, Bob Kronn, proved he knows his golf course. He became the new Midwest Association Golf Champion.

The three Voykin brothers, Paul, Peter and Rodney are at this date, October 10th, in Canada helping their mother celebrate her birthday. This is sure nice of the Voykin boys to do this. We hope no serious problems take place in Illinois during their absence. Paul left his Canada phone number in case there are any.

Our Midwest Golf Course Superintendents annual clinic will be, as usual, held at the beautiful Medinah Country Club. Our host John Jackman, superintendent, will be ready to welcome all of you. Be sure to attend this excellent conference on November 13 and 14.

Tony Meyer, Superintendent at Woodridge Golf Club, reports the club is erecting 5,000 feet of six foot high cyclone fence along the west and south property line to help control vandalism.

## COME TO MIKE BAVIER'S RESCUE

Any of you Midwest members, who have a change in your address, **please** let Mike know. Send it to Mike Bavier's secretary, 2108 North Elizabeth Dr., Arlington Heights, Illinois 60004. Also be kind and do the same to the Bull Sheet editor, Ray H. Gerber, 865 Hillside Ave., Glen Ellyn, Illinois 60137. Thank you.

While you are doing it how about coming to the rescue of the Bull Sheet editor and send in some news that he can use.

To: Ray Gerber  
Subject: Tax Shelter Annuities  
Dear Ray:

Back in June when I spoke to your green superintendents, I discussed the possibility of their participation in Tax Shelter Annuities.

Due to recent developments, the Tax Shelter Annuities for green superintendents at the country club will not exist.

If you would, put a notice out in your news letter stating this fact. Thank you very much.

Respectfully yours,  
David A. Huske

## Editorial

By Albert J. Staudt  
Superintendent Geneva Golf Club

I was asked to write an editorial for the Bull Sheet. Not really knowing what to write about — sat down, lit up my pipe and day dreamed awhile. Then, the thought came to me. A friend asked me "Why are you going to Anaheim?" My answer was, "that is where the greatest Greensmen in the world are having their National Conference. It is this Conference, the Midwest Superintendent's Clinic at Medinah in the fall, Purdue, Illinois and Iowa seminars during the year that keep us abreast on the latest happenings in the world of turf chemical wise. Field days at Illinois Lawn, George A. Davis, Toro, and Roseman's keep us up-to-date on the newest equipment that we just saw in Boston. Also one that attends our own Midwest superintendents monthly meetings will gain from fellowship and knowledge that is passed around at all the meetings. I for one have made many a friend at the monthly meeting and have gone home feeling much elated for having attended.

And that brings to mind a poem that an old friend used to recite.

### I KNOW SOMETHING GOOD ABOUT YOU

Wouldn't this old world be better  
If folks we meet would say  
I know something good about you  
and treat us just that way?

Wouldn't it be fine and dandy  
if each handclasp warm and true,  
Carried with this assurance  
I know something good about you?

Wouldn't things here be more pleasant  
if the good that's in us all  
Were the only thing about us  
that folks bothered to recall?

Wouldn't life be lots more happy  
if we'd praise the good we see?  
For there is such a lot of goodness  
in the worst of you and me.

Wouldn't it be nice to practice  
this fine way of thinking too;  
You know something good about me —  
I know something good about you?

And in closing I said to my friend that is why I attend my monthly meeting and Turf Conference.

The golf course superintendents lost a true devoted friend due to the death of Rex. Rex contributed many years to the betterment of golf. During this time he was with the National Golf Foundation, also Golfdom, several years with our G.C.S.A.A. At the date of his death he was with the Palatine Park District.

On September 25th the members of the Midwest Golf Course Superintendents Association were saddened by the death of Mrs. Susie Johnson, wife of the late Al Johnson. Al was one of our past Midwest presidents. Our deepest sympathy goes to the entire family.

Bob Kronn, Superintendent Ridgemoor Country Club

Please extend our special thanks to the members of the Association.

Your thoughtful gesture in sending the beautiful flowers was very much appreciated, for it lifted our spirits knowing that you remembered our Dad, Al Johnson, and his long years with the Association and now our Mother too.

It meant more than you will ever know—to remember our Mother.

Your kind expression of sympathy and friendship will always remain in our memories.

Thank you for your thoughtfulness.

Beginning a new era in turf mowing, the Roseman 7 unit Hydra-Gang Mower utilizes the tractor power take-off system to power the cutting reels and the tractor hydraulic system to provide hydraulic lift for each mower unit. Hills and banks can be mowed easily regardless of soft or wet turf conditions. Individual mower units follow ground contour with unlimited flexibility without scalping. The Hydra-Gang mounts on Ford 2000 and 3000 All Purpose model tractors.

# A Conference Preview . . .

## 45th International Turfgrass Conference and Show

February 10 - 15, 1974  
Anaheim, California

This letter is a preview. A complete brochure of materials for GCSAA's 45th International Turfgrass Conference and Show will be mailed on October 1.

Arrangements are being finalized for the educational program, annual meeting and election, industrial show and numerous special events for members, wives, guests and exhibitors. Make your plans now!

- GCSAA Golf Tournament — Thursday and Friday, Feb. 7 & 8 — This year, the tournament will be played on two separate courses, Yorba Linda Country Club and Mile Square Golf Course, challenging your golf and giving you an opportunity to tour two facilities.
- Conference Registration — Will open Sunday, Feb. 10 — The Anaheim Convention Center will be the site of registration, while the Disneyland Hotel has been selected as the headquarters hotel and will be the site of many other activities.
- Host Chapter Event — Monday evening, Feb. 11 — Be Welcomed to the Conference and aboard HMS Queen Mary by members of the Southern California GCSA Chapter. Transportation will be provided.
- Educational Program — Tuesday thru Thursday, Feb 11-14 — A host of renowned speakers will offer new insights into both new and old areas. The six programs will be in the Anaheim Convention Center.

FOR THE FINEST IN IRRIGATION !
