

Bob William, Tom Mascaro

The 45th Annual G.C.S.A.A. Conference is now past history. The registration was over five thousand. Some seven hundred ladies attended and enjoyed the beautiful weather we had at Anaheim during the conference week.

The local chapter superintendents association is to be congratulated on the fine job they did on making our visit so pleasant.

The grounds of our hotel and surrounding area was just magnificent, with the many varieties of flowers, shrubs and trees.

The educational programs was very interesting and well attended and I am happy that I had the pleasure of participating in this part of the program.

Here at the conference I had the pleasure of meeting many of my long time friends. They come from all parts of the United States and Canada.

The election of officers and directors was held on February 13. Elected were: President, Charles G. Baskin. Vice President, Palmer Maples. Directors, Theodore W. Woehrle, Charles H. Tadge, and Melvin B. Lucas.

The G. C. S. A. A. annual banquet at Anaheim, Calif. was attended by approximately 1500. Our many thanks to the exhibitors who made it possible for the enjoyable entertainment.

This editor's highlight of the evening was being with the many past presidents and their wives. No one could ask for more and certainly nothing more enjoyable. Their dedicated service in the past should be appreciated by every member.

Those that attended were, Mr. and Mrs. Elmer Border, Calif., Mr. and Mrs. Walter Boysen, Calif., James Brandt, Ill., Mr. and Mrs. William Johnson, Calif., Edward Roberts, Virginia, Mr. and Mrs. Roy Nelson, Ill., Mr. and Mrs. Chester Mendenhall, Kansas, Mrs. and Mrs. John Spodnik, Ohio, Mr. and Mrs. Robert Williams, Ill., Harold Stodola, Minn., and Robert Shields, Maryland.
