

Don't blame your Northrup King man if he wants to play your fairways, after you revitalize them with Overseeder II.

Overseeder II quickly develops into the kind of turf that makes tees and fairways irresistible to any golfer.

It's easy to understand what you get out of Overseeder II when you know what goes into it: a blend of Parade and Adelphi Kentucky Bluegrasses and Eton and Pennfine fine-leaved perennial ryegrasses. Combining all the advantages of these varieties, Overseeder II transforms sparse, patchy areas into dense turf that holds up under even the heaviest weekend traffic.

Your Northrup King man will know if Overseeder II is the right prescription for your course and your area. If it isn't, he can recommend the appropriate overseeding formula, custom-blended by Northrup King to solve your particular problem.

Contact your Northrup King representative or distributor. He'll gladly come out for a consultation. And once he gets finished with your course, don't be surprised if he turns up again—with his golf shoes and clubs.
