

a Golf Course . . . ?
sure! It's EASY with . . .

MILORGANITE

...USED FOR ALL-SEASON FEEDING

The golf course pictured has used nothing but MILORGANITE on its fairways since 1932. One application in Spring lasts through Summer . . . toughest period of the year; one application in late Summer lasts through Fall; another application in Fall feeds the grass through Winter . . . well into the following Spring. No wonder professional grass growers use more MILORGANITE than any other fertilizer!
