

TORO® **21 cc Trimmer.** **The Professional** **for high** **performance** **trimming.**

**Toro offers
everything
you want
in a gas
trimmer.**

This is the deluxe trimmer that can handle the bigger jobs with balanced comfort and control to stay on the job longer.

Adjustable J-handle lets the operator put the cutting power precisely where he wants it. The 21cc engine delivers power enough to tackle most trimming jobs. Extra wide straps with quick release hardware, cross weed blade and debris guard are standard.

Optional accessories include automatic line feed head, weed cutter blade or circular saw blade.
