## Sensation

### Commercial Leaf Blowers

A high velocity stream of directed air exceeding 150 mph places leaves, clippings or litter in just the spot you want. Heavy, 14 gauge housing handles rough treatment. Pneumatic tires and large forward wheel make this blower move effortlessly on any terrain. Features include a 5 HP Briggs & Stratton engine, finger tip throttle control, 1/4" impeller blades and full back plate for safety and durability.

## TORO® Back Pack Blower The Professional for air power.

Light, yet powerful, the back pack blower will whisk away the biggest jobs. It's only 22½ pounds, so it's easy on the back yet delivers plenty of air velocity. And with its larger fuel capacity, this 40cc blower will keep you on the job longer without refueling. Great for cleaning stadiums and bleachers, removal of leaves and other debris from sidewalks, driveways and parking lots.
