

# Mess Kit

**CORTY**  
**30% DISC.**

Arm yourself against caked-on dirt, grime, and refuse with Corty.

A hot high-pressure Corty cleaner protects equipment as it dissolves dirt and washes away damaging and unsightly grime. Pressures from 700 to 3000 psi. Capacities to 10 gpm.

Corty's unique steel pipe coil design provides high fuel efficiency. Stainless steel float tank, oil bath pumps and quick disconnect hoses are standard. Pneumatic tires, ball bearing wheels, heavy-duty construction, brand-name components throughout. Standard and upright models are available. Also, some machines offer combination steam/hot, high-pressure cleaning.

For more information on Corty war on grime, fill out and mail coupon.

We promise, our machines will be high-powered, but our selling tactics won't be.

Please send me more information on your "mess kit" high-pressure cleaners.

## In the Year 1923 — Do You Know Who Was —

1. President of the "Largest" steel company —
2. President of the "Largest" gas company —
3. President of the New York Stock Exchange —
4. Greatest wheat speculator —
5. President of the Bank of International Settlement —
6. Great Bear of Wall Street —

These men should be considered some of the world's most successful men. At least they found the secret of making money. Now, more than fifty-five years later, do you know what became of these men?

1. The president of the largest steel company, Charles Schwab, died a pauper.
2. The president of the largest gas company, Howard Hopson, is now insane.
3. The president of the New York Stock Exchange, Richard Whitney, was released from prison to die at home.
4. The greatest wheat speculator, Arthur Cookron, died abroad, insolvent.
5. The president of the Bank of International Settlement shot himself.
6. The greatest Bear of Wall Street, Gossbee Rivermore, died of suicide.

In the same year, 1923, the winner of the most important golf championship, Gene Sarazen, won the U.S. Open and the PGA Tournaments. Today he is still playing an excellent game of golf and is solvent.
