VOLUME 42, NO. 1

the Bull Sheet

Midwest Association of Golf Course Superintendents
of The Greater Chicago Metropolitan Area

ARTICLES:

"President's Message" by Mike Nass CGCS. The EPA leaves Mike scratching his head on what next they will come up with.

"Director's Column" by Dennis Wilson. Explaining what it's like to serve on a board and help your fellow members.

"Beauty or Beast" by Larry Marty. An invitation to visit and see some 1,000 varieties of flowers and vegetables.

"High Sand Content Greens & Pythium-Induced Root Dysfunction" by Clinton Hodges, Iowa State U. tells us of new problems to look for that are below the surface.

"June is Rose Month" by James Fizzell. Some good hints on growing America's favorite flower.

"A New Tool From Down Under" by Fred D. Opperman, CGCS. If you think you have seen it all on equipment for a golf course — you better look again.

"The Natural Look — So Old It's New" by Paul Voykin. Paul is again telling us who is the originator of this saying.

"A Soil Primer: Physical Characteristics" by Patrick Kelsey. By understanding basic soil properties, you can enhance the planting sites for trees, shrubs, and turf.

"Illinois Exotic Weed Act". Three plants are now illegal to buy, sell, offer for sale, distribute or plant the seeds, parts or whole plants.

"Call. Avoid Collusion". Retired Superintendent, Ed Wollenberg is at it again.
