

MARCH, 1988  
VOLUME 41, NO. 10

# the Bull Sheet

Midwest Association of Golf Course Superintendents  
of The Greater Chicago Metropolitan Area

## ARTICLES:

### President's Message

New faces, new courses and possible changes for the NCTE.

### Director's Column

Alan Fierst thinks that the institutions asking for our research dollars also need to tell us how these dollars are being spent.

### Getting Started with Perennials

If you are thinking about perennials around the golf course, you should read how easy they are to grow with these guidelines.

### Flowerbed Preparation and Maintenance

Dave Ward tells us how Ravisloe has such stunning flower beds.

### Adding Flowers to the Golf Course Landscape

Pointers on making the selection and description of many plants.

### Winterkill

The three most likely events to winterkill of turf are explained.
