

## GYPSUM SOIL CONDITIONER

**sof'n-soil AMPEL**  
LAWN & GARDEN GYPSUM

**GYPSUM GRAN:** General turf

**GYPSUM MINI:** Greens & tees

**GYPSUM FINE:** Greenhouses, flower & planting beds & general soil conditioning

- Counteracts wintersalt damage
- Loosens heavy clay soils: lets air and water penetrate
- Adds vital secondary nutrients: available calcium and sulphate sulphur
- Ecologically safe
- Gentle action: non-burning, non-toxic & non-caustic
- Reduces cation exchange capacity (C.E.C.) in soils

**GORDON'S**

## TRANSFILM® Anti-Transpirant

Gordon's Anti-Transpirant helps protect plants from water loss injury during transplanting, winter weather and summer drought.

Ideal for deciduous plants, conifers, turf, flowers, nursery stock and Christmas trees.

- Reduces transplant shock
- Prevents winterkill and maintains natural plant color
- Prevents windburn, sunscald and salt air damage
- Reduces plant water needs during drought

Protect your plants and shrubs from animal damage.

Repels deer, mice, rabbits and birds.

- **ROPEL** A vile tasting liquid sprayed directly to the target
- **HINDER** Ammonium based spray applied repellent
- **SPOTRETE** A thiram based flowable product to be mixed with Cleary's hygrostatic sticker, Clearspray

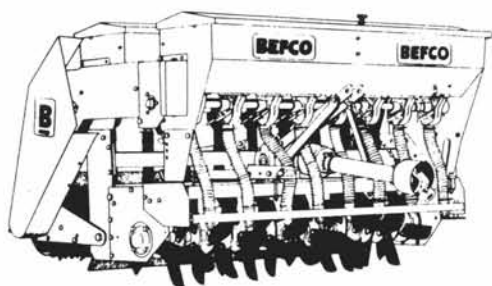

We have a lot to offer.  
Try us for all your horticultural needs.
