"We will have seven tents of history and fun in our front yard. Come to our registration tent and take a stroll down memory lane. You will see pictures and memorabilia from the past. Be part of our history by recording your personal message in our video booth. Be sure to pick up your special souvenir hat. Visit each tent, play a skill game and win additional souvenir items. Take a look at the future in commercial turf equipment. Feast on a Bar-B-Que meal and try the Blue Point oysters on the half shell."
