SOD FARMS, INC.

Nothing Greens A Course Like Sod!
Just ask the guys who use it . . .

"When you sod a course, you're only concerned with two things. Quality & service. Central Sod is *my choice* for turf!"

Joe Voss
Joe Voss Consulting & Design, Inc.

"I use Central Sod on all my midwest golf courses. They do a great job!"

Paul Eldredge
President Midwest Office
Wadsworth Golf Construction Co.

"I'm very pleased with both the quality *and* service you get from Central Sod. I've used them for greens, fairways and roughs with complete satisfaction."
