**USE NATIVE GRASSES
& WILD FLOWERS**

You and the environment
will reap the benefits:

- Less water use
- Less pesticide use
- Less maintenance
- Establish habitats for small wildlife and birds
- Meet the criteria for participation in the Audubon Cooperative Sanctuary Program
- Add to the beauty and diversity of the golf course

To learn all about the selection, establishment and maintenance of these "naturals," talk to the long-time experts at Lofts.

MILLCREEK TOP DRESSERS

**An Easy Way to Dispose
of Grass Clippings...
And Save Money**

In one easy step, eliminate costly dumping fees and improve the rough by spreading grass clippings still enriched with precious fertilizer. Millcreek's Top Dressers are equipped with an adjustable undershot poly brush designed to evenly distribute top dressing from three to ten feet wide.

The spreading uses of these Top Dressers are endless:

- Fertilizer
- Sand
- Top Dressing
- Grass Clippings
- Seed
- Compost

Models are available with PTO or Engine Drive.
