

# CENTRAL SOD FARMS, INC.

No One Brings Your Course To Play -- Faster!

Just ask the guys who know...

"I use Central Sod on all my midwest golf courses. They do a great job."

Paul Eldredge President Midwest Office, Wadsworth Golf Construction

"When you sod a course, you're only concerned with two things. Quality and service. Central Sod is my choice for turf!"

Joe Voss, Joe Voss Consulting & Design, Inc.

"Central offers the one thing that we absolutely require -- dependable service. In our book, Central equals Service!"

Dale Morrison, Superintendent, Crown Golf Properties - Crown Golf Construction

Broken Arrow G.C., under construction.

Mill Creek G.C. grow in.
