The Top 5 Reasons for Applying Sustane Fertilizer/Soil Builder to Your Turf This Fall

PHOTO COURTESY OF WILLMAR MANUFACTURING

- #5** Maintains turf density and fall color longer
- #4** Enhances suppression of various winter diseases
- #3** Increases turf tolerance to cold
- #2** Encourages summer stress recovery (use when aerating)
- #1** Grows beautiful, healthy turf

For strong protection this winter and dense, green turf early next spring, apply **natural, organic-based Sustane** this fall. See your Sustane distributor listed below or call Sustane at **1-800-352-9245**.

MAGCS Family Picnic & Baseball Game

**Kane County Cougars
August 23**

Fred Opperman

7his day was one of the best of the summer. Temperatures in the low 70s, dipping down into the 60s in the evening. Beautiful. All of the families had a great time. Sue and Ed Braunsky had entertainment for the children as the pictures to the right can tell. There was also a contest among the kids to draw a picture of their father at work. This is how the kids think their dads are working, and you can tell exactly what they think. Two of the best pictures were picked. One was by Kimberly Layden, age 11. Her father, Tim Layden, is owner of High PSI and while working should be selling pressure washers and not playing golf! The other picture is by Brenda Ferreri, age 14. Father Don is superintendent at Seven Bridges G.C., and it is an excellent job of showing what he does. Congratulations, girls, for your artistic impressions of your fathers.

Oh yes, the Cougars won that night also.

MILLCREEK TOP DRESSERS

**An Easy Way to Dispose
of Grass Clippings...
And Save Money**

In one easy step, eliminate costly dumping fees and improve the rough by spreading grass clippings still enriched with precious fertilizer. Millcreek's Top Dressers are equipped with an adjustable undershot poly brush designed to evenly distribute top dressing from three to ten feet wide.

The spreading uses of these Top Dressers are endless:

- Fertilizer
- Sand
- Top Dressing
- Grass Clippings
- Seed
- Compost

Models are available with PTO or Engine Drive.

LEGACY™
GOLF IRRIGATION

Now There's A Third Option...

Backed Up With 30 Years of Experience.

In the past, golf course superintendents generally got two bids when replacing an irrigation system. But now there's a new option. Legacy, with three decades of experience. Legacy has brought together the world leader in gear-drive technology and the leader in control systems and valves. This combined track record is unsurpassed for quality products and experience.

Century - Your Link to Legacy

Whether you're replacing just one head, an entire system or planning a new course, call a Century golf professional. With more than 30 years of experience and an impressive list of satisfied customers, Century can show you the advantages of a third option. With Legacy.
