

CENTRAL

SOD FARMS, INC.

Big Roll Sod is harvested at dawn...

and installed at your course by noon.

Real Grass -- Real Fast!

Just ask the guys who know . . .

"Central has done a number of projects for us using 'big roll' sod. They've been on time, efficient and tops in quality each time!"

Kerry Blateau, C.G.C.S., Superintendent

Oak Brook Hills Resort

"Central offers the one thing that we absolutely require — dependable service. In our book, Central equals service."
