#### **History of the Midwest Clinic**

(continued from page 10)

of Charley Rack singing and playing "Shine on Harvest Moon." You had to see it to believe it.

The tenth clinic, November 27-28, 1962, reached a new high in attendance—116! On November 17-18, 1964, the clinic moved back to where it all started: Medinah C.C. Gerald Dearie Jr. was host superintendent. Panel discussions were becoming popular, and some distinguished panel members were Jim Latham, Jim Holmes, and Dr. Mike Britton. A dialogue skit with Gerald Dearie and John Ebel as superintendent and green chairman was presented. No oscars were awarded. Celebrity guests graced the podium at the December 6-7, 1966, clinic in the persons of Mrs. Richard Daley and "Hey-Hey" man, Jack Brickhouse, voice of the Chicago Cubs. A touch of beauty was added when Suzie Frederickson, (you know, Harold's better half) gave a delightful talk entitled "Honey Your Supper Is in the Oven."

The Medinah years continued with a new host, Superintendent John Jackman, who replaced Gerald Dearie after his tragic and untimely death in 1968.

The clinic was a one-day affair in 1974. Maybe the Education Committee was a little tired that year. The theme for the clinic in 1976 was "50 Years of Beautiful Golf Courses," the title chosen in recognition of the MAGCS's 50th anniversary. The keynote speaker was Dr. Fred Grau. This clinic proved to be the most traumatic we have ever had. Fred's wife, Francis, suffered a fatal heart attack during lunch, and we were all stunned and felt so helpless.

Nineteen seventy-nine found a new superintendent at Medinah C.C. in the person of Don Pakkala. It was at this clinic that

one of its authors was honored on his retirement, with a "This Is Your Life, Bob Williams." Bruce Sering was the main conspirator in the well-thought-out and humorous presentation complete with color slides and testimonies.

The Medinah years continued through 1981, and it was with some reluctance that we left the hospitable confines of the majestic temple.

---

***"This Is Your Life,  
Bob Williams."***

***Bruce Sering was  
the main conspirator  
in the well-thought-  
out and humorous  
presentation complete  
with color slides  
and testimonies.***

---

One of the problems facing turf managers in recent years was the frustration of having so many good educational activities going on at the same time in Illinois. A solution was found through the efforts of the Illinois Turfgrass Foundation, Inc.; the Central Illinois Golf Course Superintendents Association; the USGA Green Section; the U. of I. Cooperative Extension Service; and the U. of I. Office of Continuing Education and Public Service.

They founded the North Central Turfgrass Exposition in 1982. These combined groups drew 900 people in 1983 to the Arlington Park Hilton Expo Center. With the promise of continued growth and need for more space, the NCTE was moved to

the O'Hare Expo Center in Rosemont, Illinois.

The search for excellence has brought us a long way in the past thirty-two years. Although the Midwest Clinic has been somewhat absorbed by the NCTE, it should be remembered that the Midwest Clinic and its pioneers have been instrumental in establishing a reputation of leadership in education for the MAGCS, and it's accurate to say that the clinic has been helpful to such educational meetings as the Milwaukee (Wisconsin) Symposium and as a steering committee for the GCSAA Turf Conference.

The MAGCS Clinic is truly a pioneer and will always keep its identity.

The author apologizes for any and all errors and any omissions concerning the history of the Midwest Clinic. The many helps from our business and educational communities are acknowledged. Without them the struggle would have been much greater.

A special thanks to *the Bull Sheet* and its editors and to Bob Williams for providing all the information.

"Are any of you lacking in wisdom; let him ask of God, who gives to all men liberally and upbraideth not; and it shall be given him."

James 1:5 KJV

*Special Note: A one-day Turf Conference was held on March 14, 1953, at the U. of I. Drug and Horticultural Experiment Station near Downers Grove, Illinois, with two hundred people in attendance from seventeen related fields. The Midwest Clinic as we know it today was begun in December 1953. ■*

# MILLCREEK TOP DRESSERS

An Easy Way to Dispose  
of Grass Clippings...  
And Save Money

In one easy step, eliminate costly dumping fees and improve the rough by spreading grass clippings still enriched with precious fertilizer. Millcreek's Top Dressers are equipped with an adjustable undershot poly brush designed to evenly distribute top dressing from three to ten feet wide.

The spreading uses of these Top Dressers are endless:

• Fertilizer	• Sand
• Top Dressing	• Grass Clippings
• Seed	• Compost

Models are available with PTO or Engine Drive.

# NOTHING KNOCKS DOWN TOUGH TURF DISEASES FASTER THAN NEW CHIPCO 26GT.

For years, you've relied on CHIPCO® 26019 brand fungicide to deliver the best brown patch and dollar spot control available. But, sometimes, when soaring summer temperatures made you feel the heat, you've turned to contact materials to give you the quick disease knockdown you need. Now, you can get the same powerful, long-lasting disease control

you've come to expect from CHIPCO® 26019, plus the quick knockdown you demand. Introducing new CHIPCO® 26GT™. • University trials prove that new CHIPCO® 26GT™ provides consistently quicker knockdown of dollar spot and brown patch than the standard CHIPCO® 26019. • In fact, CHIPCO® 26GT™ was as much as 48 hours faster. That means you'll see activity against disease mycelium within just 24 hours after application. And that means faster turf recovery. You can also count on CHIPCO® 26GT™ to give you both preventative and curative activity against dollar spot and brown patch. • Best of all, new CHIPCO® 26GT™ gives you the same powerful, broad-spectrum, long-lasting disease control you've come to expect from CHIPCO® 26019. Now you don't have to sacrifice quality and duration for quickness.

You get them all with new CHIPCO® 26GT™.
