

# ***Real Grass — Real Fast***

**1-800-310-0402**

“White Hawk required more than 80 acres of sod. Only one farm qualified for a project like this — and they really delivered! We had more than 50,000 yards of sod delivered and installed in just four days. When Central says “Real Grass — Real Fast” they mean it.”

Dan Tully, CGCS  
White Hawk Country Club
