

Gerald Faubel, CGCS, (right) at Saginaw Country Club and co-owner of Executive Golf Search, Inc., pictured with afternoon moderator Mike Mumper, spoke on "Finding the Perfect Match."

Our own Cathy Miles Ralston, managing editor of On Course, gives a few pointers while discussing "Strategies for Writing."

Our host Dan Quast, CGCS, (left) from Medinah Country Club, and Robert Farren, Jr., CGCS, from Pinehurst Resort & Country Club, shared their thoughts on "Hosting a Major Golf Tournament: A Superintendent's Perspective."

Mark Schmidt of John Deere Golf Technologies addresses "Site-Specific Management: Roots of the Future."

Scott Zakany, CGCS, (right) spoke on the "Future of Management Groups in Golf."

Sunset Ridge Plan

Is the title given to a golf club/golf business donation program that is financially supportive of world class turfgrass research and education. Your contribution will ensure research that is specific to Illinois, performed in conjunction with Illinois research scientists that will provide Illinois superintendents with the information they need to continue to provide the highest level of turfgrass quality.

To find out how you can benefit from joining this distinguished club please contact ITF headquarters at (312) 201-0101 or (708) 456-8547.

The ITF Endowment is proud to present its 1999

"One Call Does it All"

Only With A Diamond

- **Configuration** – Short wheel base tricycle with rear engine placement for ease of service. All wheels are powered unless in 2 wheel drive. Front wheel steering.
- **Hydraulics** – Variable displacement piston pump with integral auxiliary charge pump for hydraulic PTO. Stainless steel tubes and heavy duty double braided hoses are used for routing hydraulic fluid. The front traction hoses are additionally covered by a stainless steel braided jacket. An oil cooler is provided in the charge pump circuit.
- **Steering** – Front wheel steering with a single sided fork for ease of wheel removal and replacement. Steering is by enclosed spur gears with 7:1 ratio for light and positive control. This system is supported by 8 roller and ball bearings for smooth trouble free operation.
- **Reliability** – Every product is backed by a two year bumper-to-bumper warranty. Diamond's exclusive Five-Star Service Program is designed to keep you up and running.
