What do superintendents think about **RediPlay / RapidTurf**?

"We've used RediPlay/RapidTurf on four different courses. Sodding 19 greens over a 2½ week period. Each of these greens was playable inside of two weeks. RediPlay/RapidTurf does not float like washed sod. And since there's no damage in cutting, it roots faster after installation. I highly recommend it!"

Tom Jauch
Vice-President GolfVision LLC

"It roots faster than any grass I've seen before. In fact, it began rooting within two days of installation. We opened in half the normal time. It's great stuff!"
