

Check Out These Career Development Resources

You are meticulous about tending your turf. But what about growing your career? GCSAA offers these (and many more) tools to help you enhance your professional growth.

- **Employment Resources Kit:** This kit contains five booklets packaged in a durable shelf organizer. The booklets are: Career Development (see below), Resumes to Interviews, Negotiating Compensation and Benefits, Enhancing Your Value and Professional Development Planner. (GCSAA members: \$25)
- **Career Development Booklet:** This booklet offers a myriad of tools and resources to help you take your career where you want it to go. Information on resume writing, career development and coping with unemployment are included. (GCSAA members: no charge)
- **Employment Trends:** This quarterly newsletter will allow you to monitor emerging trends in the golf course management industry and see firsthand what employers are offering for compensation and benefits—helpful information if you are looking for a job or planning to negotiate your own compensation and benefits. (Annual subscription: \$10)
- **2000 Compensation and Benefits Report:** This report includes data organized by state for geographic and economic comparisons, charts and graphs, and detailed information about benefits from survey results of class A and B GCSAA members. (GCSAA members: \$50)

To order any of the above, or for more information, contact GCSAA at 800-472-7878.

Golf Course Chemical Storage Buildings
Carlisle Building Systems, Inc.
Prefabricated Relocatable Steel Buildings

Featuring:

- Secondary spill containment which exceeds OSHA Codes. UL, FM approved.

**For a healthy waterway,
make one call.**

We manage aquatic plants,
control algae, conduct water quality
testing, stock game fish, and install
aeration systems and nuisance geese
deterrents, all with an environmentally
sensitive approach.

Look to us for product equipment
and sales as well.

It's Time to Take a Closer Look at Hunter Golf

Introducing *Vista* - With the Power of Real-World Visual Control

Reality-Based Software with Animated Graphics

Hunter Golf introduces Vista, the most advanced and powerful irrigation control system available today. Vista utilizes the precision of your irrigation consultant's AutoCAD™ design to create realistic 3D graphics that allow you to "drive" every fairway on your course, fine-tuning the system from a real-world golf cart perspective. Advanced yet easy to use, Vista features truly automated programming, real-time dynamic flow balancing and a familiar internet-style interface. Contact Century Rain Aid – and discover why it's time to take a closer look at Hunter Golf products.

RapidTurf®

NATURAL GRASS GROWN ON PLASTIC

Exclusively Grown in Illinois By

CENTRAL

Sod Farms, Inc.

1-800-310-0402

What do a superintendents think
about *RapidTurf*. ?

"We've used RediPlay/RapidTurf on four different courses. Sodding 19 greens over a 2½ week period. Each of these greens was playable inside of two weeks. RediPlay/RapidTurf does not float like washed sod. And since there's no damage in cutting, it roots faster after installation. I highly recommend it!"

Tom Jauch

Vice-President GolfVision LLC

"It roots faster than any grass I've seen before. In fact, it began rooting withing two days of installation. We opened in half the normal time. It's great stuff!"

Lawrence Flament,
Stonewall Orchard Golf Club

Delivered throughout the Midwest by refrigerated truck

Only With A Diamond

➔ **Configuration** — Short wheel base tricycle with rear engine placement for ease of service. All wheels are powered unless in 2 wheel drive. Front wheel steering.

➔ **Hydraulics** — Variable displacement piston pump with integral auxiliary charge pump for hydraulic PTO. Stainless steel tubes and heavy duty double braided hoses are used for routing hydraulic fluid. The front traction hoses are additionally covered by a stainless steel braided jacket. An oil cooler is provided in the charge pump circuit.

➔ **Steering** — Front wheel steering with a single sided fork for ease of wheel removal and replacement. Steering is by enclosed spur gears with 7:1 ratio for light and positive control. This system is supported by 8 roller and ball bearings for smooth trouble free operation.

➔ **Reliability** — Every product is backed by a two year bumper-to-bumper warranty. Diamond's exclusive Five-Star Service Program is designed to keep you up and running.
