

## WE THOUGHT IT WAS TIME YOU HEARD THE HOLE STORY.

It's not easy being a pioneer. But since their arrival in 1996, the John Deere line of Aercore® Aerators, with their revolutionary belt-driven system and patented Flexi-Link™ design, have quickly become the number one aerators in the golf equipment industry. And now with the addition of our tractor-mounted Aercore 2000, the bar for productivity has been raised even higher. Like the tractor-mounted 1500 and 1000 and the walk-behind 800, the Aercore 2000 produces a consistent, round hole at up to 4 in. deep, with productivity up to 100,066 sq. ft./hr. To see why the Aercore 2000 and the rest of the Aercore line have outpunched the competition, call your local John Deere distributor.

NOTHING RUNS LIKE A DEERE®
